

Industry Section

Sinokrot family name was linked to food products for more than 20 years since the born of the first industrial building, in Ramallah City in 1982; there we started to construct our own Brand name by manufacturing candies, chocolate and confectioneries.

As a consequence of success, and the strong minded to continue motivating for our position as the leading company in manufacturing, importing, and marketing food products, we established our own private projects as to effect positively on our National economy covering all over the PNA area as follows

- 1- Sinokrot Food Company
- 2- Al-Sultan Water Bottling
- 3- ZADONA Agro-Industrial Co.
- 4- Agri-industrial Company
